

Dance of Words for my Beloved

Words dance across a page
As feet would leap above a stage

Before an audience of One
For my Lord is the Son

My life laid on the altar
Before the One who does not falter
None other do I desire
Purify me with Your holy fire

You steady my heart when it aches
And are my Rock when all the earth shakes

Jesus, You are my life, joy and peace
At the sound of Your voice the storm does cease
Oh Good Shepherd of Thy sheep
All Your children You do keep
